### Message From Our President

Dear Brothers,

*“Every person can make a difference, and every person should try.”*

John F. Kennedy

Volunteering is essential in any community, as it strengthens connections among members and fosters a sense of purpose. When individuals volunteer, they bring their unique skills and perspectives to initiatives that might otherwise lack sufficient support, helping the community grow and thrive. Volunteering also empowers individuals to take an active role in issues that matter to them, from social justice to environmental protection, education, and more. Through volunteering, people not only contribute to causes they care about but also develop valuable skills, expand their networks, and build meaningful relationships that last beyond the immediate project or event.

**Attending chapter meetings** is equally important, as it is where much of the planning, discussion, and decision-making take place. Regular attendance at these meetings allows members to stay informed about ongoing and upcoming initiatives, offering an opportunity to contribute ideas and feedback. It also helps build a supportive community, where members feel a stronger sense of belonging and investment in their chapter's goals. Showing up at meetings fosters transparency and collaboration, allowing every voice to be heard and ensuring that actions taken reflect the collective vision and needs of the group. By participating actively, members strengthen the foundation of their chapter and contribute to a more united and motivated community.

Fraternally,  
Timothy P. Tzanakos,  
Chapter President

## Roast 'n' Toast Dinner & Dance Honouring Brother, James Hutchison PDG23

On the evening of October 12th at the Palace Convention Centre the AHEPA Montreal Chapter CJ7 was honoured to host the Roast 'n' Toast Dinner & Dance event to recognize the contributions made by our very own Brother and friend James Hutchison.

Brother, James Hutchison has consistently gone above and beyond in his dedication to AHEPA, becoming a true pillar of reliability and leadership. His commitment is evident in the countless extra hours he invests, not because it's expected, but because he genuinely believes in the mission and goals of AHEPA.

The evening consisted of Cocktails where Brothers and Sisters mingled, a four-course meal, followed by a number of roasters (see list below) who honoured him and poked fun at him. But all joking aside the highlight of the evening was when Brother, James Hutchison was presented with The King Charles III Coronation Medal by Peter Housakos, the son of Brother, Senator Leo Housakos.

After the roast, we danced to the music of DJ Mamacita and drew raffle tickets for a number of great prizes, followed by the draw for the \$500.00 door prize.
