Presidents Message

“Good actions give strength to ourselves and inspire good actions in others”

<Plato>

Being part of AHEPA fills me with pride because it connects me to a powerful legacy of Hellenism, philanthropy, and civic responsibility. As an organization rooted in the values of ancient Greece—education, justice, and community service—AHEPA has long stood as a beacon for those who believe in contributing to the greater good. I’m proud to uphold and promote these values, working alongside others who are equally committed to preserving our heritage while giving back to society through service, scholarship, and advocacy. I’m also proud that our Chapter received the **“AHEPA Chapter Of The Year”** award and I’m proud that one of our Brothers, James Hutchison was awarded the **“AHEPAN Of The Year”** award. **Finally, I’m proud to call each and everyone of you, Brothers!**

Moreover, AHEPA fosters a sense of belonging and unity across generations and cultures. Whether supporting humanitarian causes, promoting academic excellence, or celebrating Greek culture and traditions, the organization provides meaningful ways to make a difference. I’m honored to be part of a community that not only cherishes its roots but also takes active steps to shape a brighter future. **Being a member of AHEPA is more than just affiliation—it’s a lifelong commitment to leadership, heritage, and making a positive impact.**

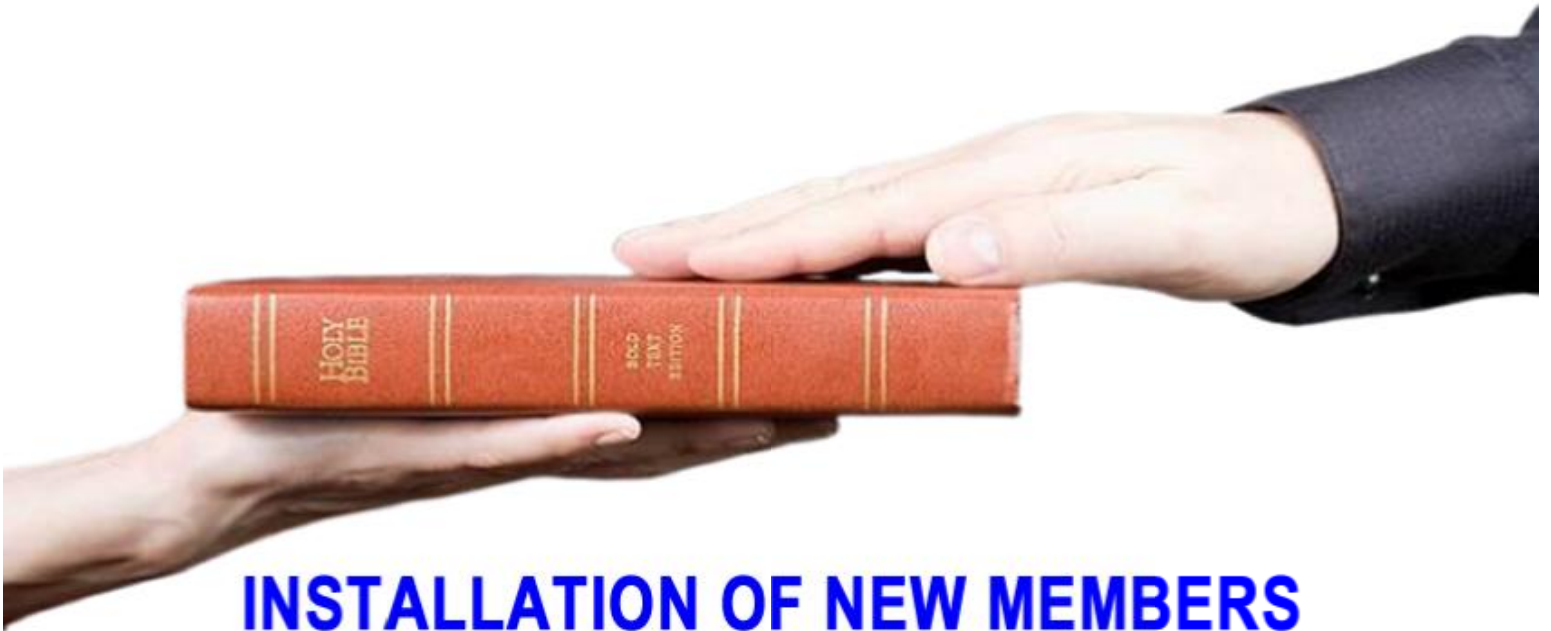

Timothy P. Tzanakos,
President, AHEPA Montreal
