Presidents Message

“There are three kinds of people: Those who make things happen, those who watch things happen, and those who say, what happened? ... whic one are you?”

Membership dues in American Hellenic Educational Progressive Association (AHEPA) are fundamental to the continued strength and success of our organization. These dues are not merely an annual obligation—they are a direct investment in the mission and values that unite us. Through the collective support of our members, we are able to promote Hellenism, advance educational initiatives, encourage civic responsibility, and uphold the principles of family and individual excellence that define our brotherhood.

The financial stability provided by membership dues allows our chapter to fund scholarships, support philanthropic efforts, organize cultural and community events, and assist those in need. Every contribution plays a role in sustaining our programs and ensuring that we remain active, visible, and impactful within our community. When members fulfill their dues commitment, they strengthen not only the chapter’s operations but also the bonds of unity and shared purpose that make AHEPA strong.

To maintain good standing and ensure proper planning for the year ahead, all membership dues must be paid no later than the end of March 2026. Timely payment is essential for meeting our financial responsibilities at the chapter, district, and national levels. We respectfully urge all brothers to renew their membership promptly and demonstrate their continued dedication to the ideals and future of AHEPA.

Timothy P. Tzanakos,
President, AHEPA Montreal

The AHEPA Family District 23 Mid-Year Conference in Toronto was a tremendous success! The weekend began on a high note as delegates from Montreal gathered on Friday night for a lively social at Georgy Porgy's in North York. It was a perfect opportunity for members to reconnect, network, and set the tone for a weekend full of engagement and fellowship.

Saturday was the heart of the conference, running from 9:30 A.M. to 4:00 P.M. The day was filled with meaningful conversations, collaborative discussions, and true camaraderie among members. A standout moment was the thought-provoking presentation on artificial intelligence by Professor Dr. Kostas Kontogiannis, which sparked lively debate and deep reflection on the role of AI in our lives and communities.

The conference concluded on a warm and celebratory note with a social at Salonika Restaurant on Danforth.
