**Presidents Message**

***“Coming together is a beginning; staying together is progress; working together is success.”***

Dear Brothers,

Over the past several months, there has been a noticeable decline in the turnout of members attending our chapter meetings, and **this is becoming a serious concern**. When attendance is low, important chapter business does not get completed, decisions are postponed, and projects that require discussion and approval end up being delayed. **A strong and active chapter depends on the participation and involvement of its members, and without consistent attendance it becomes increasingly difficult to move forward effectively.**

I understand that everyone has busy personal and professional lives, and that getting around the city with the traffic and ongoing construction can be frustrating and time-consuming. These challenges are real and affect all of us. **However, we have made every effort to make participation easier by offering hybrid meetings that can be accessed through video conferencing from the comfort of your home or office. This option allows members to stay involved even when they are unable to attend in person.**

Attendance and participation are essential to the success and future of our chapter. Every member’s voice, ideas, and input are important, and the responsibility of keeping the chapter active should not fall on only a small group of individuals. I encourage everyone to make a greater effort to attend meetings regularly, whether in person or online, so that together we can continue to grow, make progress, and achieve the goals of our chapter.

Timothy P. Tzanakos,  
President, AHEPA Montreal

## Hellenic History Tournament (April 25)

Ahepa District 23 proudly hosted the Hellenic History Tournament in Montreal, and what an incredible day it was, with teams from Toronto, Ottawa and Montreal!

We extend our sincere thanks to the **English Montreal School Board** for their collaboration and support in making this event possible. Their partnership helped create a meaningful and engaging experience for all involved.

It was truly inspiring to see high school students come together to test their knowledge of Hellenic history. Beyond the competition itself, the tournament gave students a chance to make new connections, build confidence, and engage in friendly academic challenge with their peers.

Events like these remind us how important it is to keep our history alive. Congratulations to Co-Chairs James Hutchison and Byron Yankou, and thank you to dignitaries such as MP Emmanuella Lambropoulos and EMSB DG Nick Katalifos, AHEPA family volunteers, teachers, chaperones, parents and students who took part, we look forward to continuing this tradition for years to come!
